

PLATINUM SERVICES TELECOMMUNICATION
COMPANY'S PRESENTATION

COMPANY'S OVERVIEW

Platinum Services Telecommunication Ltd. is an international telecommunication company based and licensed in Malta, focused on providing telecommunication services and solutions, including SMS to retail and wholesale operators, business and private users and resellers. Our wholesale arm offers SMS services focused on APAC, MEA and LATAM markets.

Established in 2012, as a Voip Carrier, PST ceased his Voice operations in 2022, after 10 years of international service and decided to focus exclusively on the SMS market. The team consists of professionals who have experience of at least 10 years in the market, which helps us to show stable financial and commercial growth.
